

Glimmer Wax

A non-toxic liquid cleaner concentrate incorporating a liquid organic wax, rinse aids and foam stabilizers.

Biodegradable:

Contains no harmful nonyl phenol ethoxylates.

Typical Properties

This versatile cleaner has been formulated for the cleaning of auto bodies, upholstery, vinyl floors and painted surfaces. Glimmer wax will clean and wax the surface. It will not streak or dull paintwork and is safe to use by hands at the recommended dosages. Glimmer wax is completely biodegradable.

Operating Conditions

Can be used at concentrations varying from 0.5% - 2.0% i.e. (2.5 ml/litre-20 ml/litre for the above application).

Pre-rinse to remove road dirt and cool the vehicle. Apply solution by brush, cloth or spray working from the bottom upwards. Rinse from the top downwards with fresh water. Allow the vehicle to drip dry in a cool place. This will ensure a uniform coating of wax, which will enhance the painted surface and protect the vehicle from atmospheric fall out- and corrosion.

High Pressure Spray Cleaning:

- Engine, chassis, vinyl and tiled floors can quickly be cleaned by spraying with this solution at 115 bars pressure and upwards.

Handling, Safety & Storage

Product not considered harmful, but good work practice should be followed.

Use in well ventilated area.

Store in cool area.

PPE should be a requirement with all chemically formulated products as precaution, gloves, goggles and apron.
