

Zapex R

Zapex R is a liquid cold cleaner combining solvents, surfactants, emulsifiers, couplers and inhibitors.

Typical Properties

Zapex R is designed for the fast, safe and easy removal of road film, grease, oil, tar, asphalt and wax coatings from machines, engines, chassis, new vehicles and concrete floors. Zapex R is free rinsing and emulsifiable with water, safe on all metals, painted surfaces and electrical wiring.

Operating Conditions

Applications:

- Can be used for long periods in a cleaning tank for small part washing. This solution can be applied by brush, rag or coarse spray.
- Heavily soiled surfaces both painted and unpainted can be safely and effectively cleaned with Zapex R by using a dip, spray, wipe, brush or steam cleaning type operation.
- For steam cleaning or high-pressure spray systems, Zapex R added to the water at 2-5% will greatly assist soil removal.

Handling, Safety & Storage

Use in well ventilated area, open windows and doors to allow vapour to escape.

Store in cool area.

PPE should be a requirement with all chemically formulated products as precaution, respirator, gloves, goggles and apron.

Technical Properties:

Mac rating 500ppm

Flash Point 51°C
